We request everyone's dues be paid no later than February 1, 2020. For our new members that joined after September, your 2019 dues will carry-over for 2020. Payment can be mailed to Dawn Jones.

Treasurer's Report:

The Club Treasurer, Dawn Jones, reported "we have money!" Anyone wishing specifics can see Dawn. It was also reported that the club generously donated \$1000.00 in 2019 to each of the following deserved entities:

Ashley's Embrace
Copley Fire Department

Christmas Party

The 2019 Christmas Party was well attended! The Venue provided a nice buffet and atmosphere. We wish to thank Tony Maroon for his talents with the music along with Diane Geul & Rick Madden for the trivia contest. The white elephant give exchange was fun as usual and hopefully you were able to remove a less than useful item from your home. We have booked the Venue for the 2020 Christmas Party also!

Opportunities:

Many of you enjoy attending our monthly meetings, Cars and Coffee, Spring and Fall Cruises, Summer Picnic and Christmas Party. We are also looking to add more club activities as interest increases. Perhaps a monthly dinner cruise in or car show and how about a Corn Roast and Chili Cook-off. Can't wait to see what 2020 brings.

Go Kart Racing:

We have scheduled Go Kart Racing for Sunday, February 23rd from 11AM to 1PM. These are high speed, indoor, electric power go-karts. Here is the link to the website so take a look: www.highvoltagekarting.com – if you haven't joined us the last few years, you really should try to make it out! The cars have telemetry to keep track of speed and lap times. The club is renting the track for 1-1/2 hours and based on a minimum of 35 people, the cost will be about \$40 per person plus a \$5 registration fee. The more we have going the cheaper the cost. Whether a driver or a spectator you will have a great time. Who knows maybe an award for fastest driver this year?

National Mustang Day:

National Mustang Day is celebrated each year on the 17th of April. This is the weekend after Easter so we'll plan for the weekend of April 25/26 to celebrate. Maybe another trip to Blazin' Bill's BBQ or the Oak Barrel. Hopefully the weather will be a nice and we can take the Pony's – we will celebrate either way.

Spring and Fall Cruise:

It is not too early to plan both the Spring and Fall overnight cruises. We are open to any ideas but try to keep the driving time to around 3 ½ hours. If you have

any ideas please let Jim know ASAP. The Spring cruise should be picked out and announced by the end of March to have time to vote, plan and make reservations.

2020 CanAm

We are in need of a representative who will report on the CanAm events/activities. Please consider this role.

Sponsorship:

Melanie Harwood reached out for consideration to sponsor the Ohio Region CCCA (Classic Car Club of America) Mustang Class Fathers Day Car Show at a cost of \$150.00. A motion to accept was made by John Wanachek and seconded by Sonny Reese and will go forward.

The 50/50 Drawing

Our 50/50 Raffle tonight was held by Dave Pawski and Steve Kropp. Thank you!

Club Committees:

The opportunities for club activities abound and will be successful as long as we continue to have the help of our club members. There are many opportunities to get involved and we are looking for volunteers to head up or join the following committees with as close to 100% club participation as possible:

- **Annual Car Show – September 13, 2020** – every member is needed for its success.
- **Cars & Coffee Committee** – This team will find a restaurant and schedule the date for this monthly event. This committee can also

find and recommend different venues available and the team leader will present the restaurant, date and time at our monthly meetings.

- **Membership Committee (Sunshine)** - This team and team leader will welcome new members, introduce them to the club, obtain their information; contact, spouse, birthday, anniversary, and etc., send a welcome letter and relay information to the President for input into the club roster. The team leader will announce club members birthday and anniversaries at our club meetings and send get well wishes and condolences as they are reported.
 - **Cruise Committee** – The team will seek our exciting venues for the Spring and Fall cruises and present their information to the club for a vote. Guideline of NO MORE than three and a half hours of travel to a destination. This team will have the talents of Jean Derreberry to assist with travel details.
- **Picnic/Party Committee** – This team will work with the leadership team to set up, purchase giveaways and assist with clean-up as necessary for our activities. Summer Picnic, Christmas Party, Corn Roast, Chili Cook-off etc. Please be on the lookout for a

new venue for our Summer Picnic as it may need to be moved.

- **Extracurricular Committee** – This team used for fun activities outside of the normal club events. Such as: meet for breakfast, lunch or dinner, go to the movies, play cards, golf, bowling, or go for a drive. This could be once a month or as often as folks want to get together.
- **Club Photographer** – would love to add some great club activities to the website, FB and newsletter. We have some great photographers so let's get you organized and official.
- **Educational Committee** – This team would put together some educational information for everything you have always wanted to know but were afraid to ask: How to prepare your "Stang" for a show. What the Judges look for. How to Judge a show. MCA National Car Show Information. Collector Car Insurance. Performance modifications. These are a few suggestions to get us started.

There are signup sheets available for these committees at the club meetings.
