**Guests:** Kevin & Mona Kilzer.

There were 47 members and 2 guests present at On Tap.

**Sonny** called the meeting to order at 7:00 pm.

**Treasurer's report:** Dawn Jones reports that with the incoming annual dues there is currently \$4080.75 in the bank.

**Membership dues & Roster** Dues should have all been paid by now. Sonny will email an updated roster. The club is required to send a list of members to MCA every year and Denny has done that.

**Mustang Club of America:** Sonny is encouraging everyone to join the MCA if they are not already members. Current national club dues are between \$25 & \$50 depending on the level you join. With your membership you receive a monthly magazine, access to the website and access to the Ford X-Plan if you wish to purchase a new Ford car or truck. Also, as a reminder if you hold an office in our club you are required to be a member of the MCA.

**Cars & Coffee:** The next breakfast outing will be on Saturday, March 24th. It will be held at On Tap in Stow at 9:00 am.

**Go-kart Racing:** The annual Go Kart outing was Sunday February 18. There was private track time for the club for one hour. Each racer had the opportunity to run 3 heats. Mike Reese compiled all of the lap times on a spreadsheet to show each racer's fastest lap by heat and who had the fastest lap. Sonny has already emailed the info to participants. The fastest lap was turned by Mike Kalaman. After the racing, they had lunch at Quaker Steak & Lube in Medina. There were a few requests for a ladies only race next year. If there are enough participants he will add that in.

**National Mustang Day:** Tuesday April 17th. We will have our cruise on Saturday the 14th. Arranged by Diane Geul. We will be cruising to Blazin' Bill's BBQ in Burton. The pre-cruise meeting place is the Medical Arts Building in Kent at 5:00, leaving at 5:15. We will be having dinner at 6:00 should anyone miss the meeting time. The address is: 307 W Main St, Kent. Blazin' Bill's address is: 12891 Main Market Rd., Burton 44021

National Mustang Window clings are available until gone for \$1. See Marina after the meeting.

National Mustang Day Track Day. Sonny sent an email to everyone concerning a track day at Charlotte Motor Speedway in April. The Mustang's will run on the "Roval", a combination of a road course and an oval track. There was a link in the email to register if you are interested in going. This is not a "club event" but if you are going let Sonny know so he can let other interested members know.

**Spring Cruise:** May 19th & 20th. Sonny had 2 cruises in mind, the Gale Halderman Museum along with the US Air Force Museum or to the Flight 93 Memorial. By a show of hands the Gale Halderman trip won out. Also by a show of hands it has been decided that the fall trip will be to Flight 93 and possibly to include Falling Waters in PA. Jean Derreberry our event coordinator will begin working on hotels and restaurants and such.

**2018 Can Am:** The Mahoning Valley Mustang Club is the host this year which will be held June 8-10 in the Youngstown area. Sonny has not yet had any info but will pass on the details as he gets them.

(More info on Can-Am at the end of the newsletter)

**Memorial Day Parade-Kent:** Member Dave Cundiff was approached by the planners of the Kent parade asking if anyone would be interested in driving their car in the parade. If you are let Sonny know and he will forward your name to Dave.

**Mustang Scavenger Hunt:** Member Gene Szucs (joined in the fall) is organizing a scavenger hunt for Saturday June 30th with the help from Jean Derreberry. He is in the planning stage of the hunt but gave a run down on how it would work. He has planned these before for other car clubs. Depending on the number of cars he will have either one or two routes planned. Along the route there will be clues to find or 'do' (such as take a picture with a certain item). He will have a map with the clues, so having a passenger to read the map and clues is a must for safety reasons. He will try to get singles partnered up with other singles. The hunt will end at Gene's house with him and his wife Linda hosting a cook out. Please email Gene directly if you plan on participating as the head count is important for planning purposes. There will be updates at each meeting and in the newsletters.

Gene Szucs email: [gene.szucs@sbcglobal.net](mailto:gene.szucs@sbcglobal.net)

**Ocean Cruise:** Karen Kropp is planning an Ocean cruise for next January or February. There are already 3 couples who are definitely interested in going. This would be a 7 or 8 day cruise on Carnival Cruise Lines. If anyone is interested please email or text me. I will have a meeting in the near future for the planning once I have some responses.

Email: [shelbygirlx59@gmail.com](mailto:shelbygirlx59@gmail.com) or text 330-265-5975

**Michigan International Speedway:** Sonny has sent an email to Mach1 Racing at MIS to see if we can have another track session with the Mustangs. He has not heard back yet.

**Golf Outing:** Sonny received a call from The Fairways at Twin Lakes asking if anyone in the club would be interested in a golf outing/cruise in. It would include a steak dinner that would be open to everyone, even if you are not golfing. It would require a minimum of 20 people ( 5 four-somes). If you are interested let Sonny know.

**Ashlie's Embrace Golf Outing:** The organization will be holding a charity golf outing May 21st. Sonny sent out an email a few weeks ago. Anyone interested please contact Tony Maroon.

**June events:** Sonny wants to give a heads up on several events in June. The Maps car show, Can-Am, Deyarmin car show, Mustang Camaro Showdown, the Scavenger hunt and the Father's Day show at Stan Hywet.

**9th Annual All Mustang Car Show:** The date for our annual car show is September 9th at Montrose Ford. Sonny says it is not too early to gathering items for the raffle table and baskets. Ask your business contacts for donations of gifts or gift cards for the raffle. He is hoping to get Jack Roush Jr and or a Roush display at the show. Please volunteer as it takes the whole club to make this a success!

**Club Window Static Stickers:** The new club window clings are available. You can pick one up at the meetings for your car. (one per person please)

### **Member Updates:**

The rehab center is: Avon Place, 32900 Detroit Rd Avon Oh 44011

**Duane Hart's** cancer has returned. He will be having chemotherapy at the Cleveland Clinic. Duane is searching for broken or non-working radio controlled toys so he can tinker with them while he is undergoing treatment. Also, Duane's brother passed unexpectedly on March 2. Sonny has a sympathy card for everyone to sign.

263 W. Riddle Ave., Ravenna, OH 44266

**Dennis Bozzelli** is scheduled to have a 4th knee surgery, this time with a different surgeon.

**Dick Pahls** had shoulder surgery the week of February 12th, it went well and he is home recovering.

**Norm Clark** is to have knee surgery tomorrow.

**April's Meeting** is tentatively set for Thano's in Barberton.

Sonny also needs volunteers to sign up to bring dessert to the meetings. Please see the sign up sheet at the meetings.

*What a nice weekend! Last Saturday was a beautiful day so Steve and I drove the Mustang down to Sugarcreek to look at furniture. Saturday was sunny as well so we drove up to Columbiana to a Jeep store. Steve ordered a jeep! 🤖 To be delivered sometime in July.*

*A little about CAN-AM. This is a collaboration between Lake Erie, Greater Pittsburg, Mahoning Valley and Niagra Valley Mustang Clubs. Called CAN-AM for the Canadian and American participants. Held usually the 3rd weekend in June the clubs take turns hosting. Steve and I have been to 2 for the Pittsburg club and 1 at Mahoning Valley. Each club does it a little different but it is a lot of fun and you get to meet new people. Usually included are a cruise, a cruise-in, a banquet and a stop at one their city's landmarks or attractions. Last year was in Pittsburg and we visited Lenny's Classic Car Museum, the Johnstown Incline, the banquet included a Mystery Dinner Theatre that was terrific and the Zoo. Dave Z and Steve even won trophies at the car cruise-in! Sign up and have a fun weekend!*

*Ocean Cruising: We have been wanting to get club members together on a cruise for quite some time, We see other groups having a lot of fun. I will get some pricing together for those who are not familiar with it so you have some idea. Let you know at the next meeting. For now running out of room.....Karen*
