MAY 2020 GENERAL INFORMATION

Greetings NEOMC Friends

I hope this abbreviated May NEOMC Newsletter finds each of you and your families safe and healthy. Our May club activities have come to an abrupt halt due to the global covid 19 virus pandemic.

Our local, state, and federal governments are beginning to relieve some of the mandated closures on manufacturing and construction businesses to determine if the coronavirus will rebound. However much of the economy that we patronize, retail and restaurants, remain closed for the time being. Each of us still need to practice social distancing and depending on your risk factor, face masks for health safety during this global pandemic.

Hopefully we can return to our normal club events in the near future. However, only time will tell when we can resume our normal club activities. Group gathering sizes will affect how we can plan our club events as well. We are fortunate as most of our cancelled activities can be rescheduled once things open up.

I know each of you have special club member friends, please reach out to them to ensure they are doing well. Please feel free to contact a member of the leadership team as necessary.

Best wishes and please stay safe and healthy,
Jim

Voluntary “Social Distancing” Drive By Birthday Cruise for A.J. Maroon

Sonny received a note from our club member DJ Tony Maroon. Tony’s son, AJ, just turned three and due to the “social distancing” he couldn’t take him to a car show. Tony has organized a drive by car show in front of his house with the Camaro Club. He thought it would be nice to see a few “Stangs” mixed in as well. If the weather permits and you think you can make it, the following are the details:

The staging area is at a church one block South of Tony’s home.

Meeting time: 15:00 Hrs. (3 PM)

Address: 1301 East Maple Street, North Canton, OH. 44720 (at the corner of Marquardt and East Maple).

FYI: Sonny will be participating in the drive by.
