APRIL 2020 GENERAL INFORMATION

I hope this abbreviated April NEOMC Newsletter finds each of you and your families safe and healthy. Our club activities for April and May have come to an abrupt halt due to the covid 19 virus. Our local, state, and federal governments have ordered the closure of all non-essential businesses for our safety to enforce social distancing. Each of us should practice health safety during this global pandemic.

Hopefully we can return to our normal club events in June. However, only time will tell when the coronavirus regionally peaks and subsides to allow the government mandates to safely be lifted. We are fortunate as most of our cancelled activities can be rescheduled after things settle down.

The June CANAM three-day event was cancelled by the Niagara Classic Mustang Club as the US and Canadian governments agreed to close their borders to tourists. There are too many unknowns as to when these travel restrictions will be returned to normal.

I know each of you have special club member friends, please reach out to them to ensure they are doing well during this time of social distancing. Please contact a member of the leadership team as necessary.

Until we can get together again, stay safe and healthy.

Best wishes,

Jim
