Cruises:

On Saturday, October 12th, we had our Fall Day Cruise to Malabar Farm State Park. This park is southeast of Mansfield. It was a beautiful, cool fall day and a great day for a cruise! Malabar Farms is a beautiful state park. We enjoyed a tour of the house and wagon ride to view the farm. After the tour, we had a late lunch at the Barn Restaurant in Smithville. A good time was had by all.

On Saturday, October 19th, we had of our Last Cruise of the Year. We cruised down Ohio Route 164. It was another beautiful day for a drive; lots of curves and hills. Route 164 travels through several small towns and past Atwood Lake where we stopped at the Lighthouse Bistro for a nice lunch overlooking the water. We cruised through Zoar on our way home. Thanks to Brent Reifsnnyder for the suggestion of lunch at the Lighthouse Bistro.

THE PRESIDENTS REPORT

2020 is just around the corner and it will be the beginning of a New Year for the Northeastern Ohio Mustang Club. I have proudly served as your President for the past four years. The support everyone has given me during this time has been overwhelming. I cannot begin to thank everyone for all they have done to assist me in making our club a success.

I want to thank all the officers that have been a part of my last four years as President:

- Vice President, John Koza, for all he has done to assist me and for being a great friend;
- Treasurer, Dawn Jones, who always makes sure “we have money”;
- Secretaries, Diana Bray, Karen Kropp, and Nancy Nelson who have worked so hard on our Pony Tales newsletters over the past four years;
- MCA Regional/Tech Rep, Denny Nelson, for handling the reporting to the MCA;
- Webmaster, John O’Brien, for managing our club website;
- Facebook Admin, Mike Reese, for managing our Facebook page and making sure the club is always well presented;
- 50/50 Raffle, Dave & Kerrylynn Pawski, Steve Kropp and Dave Zeitler for selling tickets at each meeting;
- Event Co-Ordinator, Jean Derreberry, for making sure all events went as planned without any problems and always getting the club the best deal.

I have said this in the past, though he is not an officer, Jerry Cafarelli does so many things behind the scenes to make sure everything runs smoothly; to my friend and past president, John Wanacheck, for being a mentor to me as incoming president and making my job as easy as possible; everyone who worked so hard on events over the years such as our annual car shows and the CanAM this past year.

I want to thank my wife, Marina, who is always there to support me in everything I do. She has worked as hard as I have to make sure everything ran smoothly.

Lastly, I want to thank each member of the Northeastern Ohio Mustang Club for your support, your kind words and your friendship. I know you will continue to give the same support to our incoming President, Jim Caslow, and the rest of the officers. Thank you and God Bless all of you!
