Treasurer's report: Dawn Jones reports that with the incoming annual dues there is currently \$3600.00 and change in the bank.

Membership dues: The 2018 annual membership fees are due. Sonny would like to have everyone paid up by the end of February. Annual membership fees are \$25,00 per family.

Updated roster: Once the dues have been fully paid Sonny will update the 2018 roster and send everyone a copy. This is the time to update email addresses, birthdays, anniversaries etc. If the spouse would like to also receive a copy of the newsletter please include that email address also.

Cars & Coffee: The next breakfast outing will be on Saturday, February 24th. It will be held at Panera's in Brimfield starting at 9:00 am.

Bowling: Sonny reports that there was a great turnout on January 19th at Twinstar Lanes. Approximately 35 members attended. There was Scotch doubles, a regular game and then a 9 pin no tap. The high game of the night went to Gene Szucs with a 262. Gene downplayed the score because it was during the 9 pin no tap, but most of the strikes were real and every ball made the pocket! About 20 members had dinner before hand at La Terraza in Kent. If there is an interest for another bowling night Sonny will see about getting a night scheduled.

Go-kart Racing: Sonny has scheduled the racing for Sunday, February 18th at 1:00 pm, The track will be reserved for the club for 1 1/2 hours. These are high speed electric power go-karts. The cost per person is approximately \$40. per person. Sonny will have a better idea of the cost once he knows how many people will attend. Dawn was taking money for preregistration to cut down on the time spent on the day of. Sonny wants to have the last heat ran by the 10 fastest members for a race-off. There will be a stop for lunch at On Tap at RT 18 & 71 after the racing. Please let Sonny know if you will be attending one or both of these so he has a head count.

National Mustang Day: April 17th. Sonny will let us know more in March or April the plans for this cruise for National Mustang Day 2018. It would most likely be the weekend prior. He mentioned going back to Blazin' Bill's BBQ in Burton. He has also ordered 40 of 2018 Mustang Day window stickers. They will cost \$1 each and he should have them by the next meeting.

Spring Cruise: Sonny says it is not too early to be thinking about where to cruise to. This is an overnight trip. He wants to try to keep the drive time at no more than 3 1/2 hours. He has received a few good ideas but is still looking for more input. There will be a vote taken on the selection and once he has the destination Jeannie will start making plans. Some of the ideas he has received are to go back to the Gale Halderman museum in Tipp City combined with the UA Air Force Museum. Mr. Halderman is 86 years old. His designs were used for the first Mustang and his stories about Mustangs and Ford are very interesting. Submit your ideas!!
