DECEMBER 2020 GENERAL INFORMATION

Season's Greetings NEOMC Friends,

I hope this December newsletter finds each of you and your families safe and healthy, and preparing for Christmas with the spirit of the season.

By now most of you have your "Stangs" in storage for Winter. I can honestly say 2020 has appeared to be both a short and yet a long challenging year for the club and for each of us individually. I am looking forward to 2021 and pray the coronavirus will be in check with the soon to be approved and released vaccines. It will be great when we can return to a normal routine and enjoy those things in life that bring joy to each of us.

On the political side your leadership team is not requesting any ballot recounts as we know the results are accurate and were cast without fraud. You see, we faced no challengers. With this being said your leadership team is ready and willing to serve our club members in 2021.

On other club business, and in the spirit of good will, your leadership team has decided that your annual 2020 club dues will be carried over throughout year 2021. Our way of saying "let's have a better 2021".

The leadership team wishes each of you and your families a Merry Christmas and a Happy New Year!

Please stay safe and healthy,
Jim
