JULY 2021 GENERAL MEETING

Greetings NEOMC Friends,

I hope this July newsletter finds each of you and your families safe and healthy. The July 4th weekend 2021 is now history but we should always remember those who gave their lives defending our freedoms.

Several club members, including Steve Kitz, Jerry Cafarelli, John Koza, Kerylynn Pawksi, Gene Szucs, and others have suggested car cruise ins, shows, and other activities for the membership. These will be posted below in the newsletter. Thank you all for your valued suggestions and keep them coming.

We have another cruise schedule this month for the Ernest Warther Museum in Dover, Ohio. They are waiting for information from us on how many will be in attendance and will be providing a tour guide. If you did not sign up at the meeting email me ASAP with your reservation.

Please stay safe and healthy,

Jim

WELCOME NEW MEMBERS:

Carol Balog
Scott Barbone 2019 Shelby GT350

Spring and Fall Cruise:

The Fall cruise will be upon us before we know it. We are open to any ideas but try to keep the driving time to around 3 ½ hours. If you have any ideas please let Jim know ASAP.

Housekeeping:

For Sale: Don't forget to list your Mustang cars & parts in Wanted/For Sale section. Please email Connie at cjleonard6@gmail.com to have your items added as well

as to inform her when things need to be removed. Ponytail's is on the club's website so it's not only members that see your add.

Nametags: Those wanting to replace theirs with the new logo can do so for \$2.00. Anyone in need of a club nametag for meetings and events please email Connie at cjleonard6@gmail.com.

Club Committees:

The opportunities for club activities abound and will be successful as long as we continue to have the help of our club members. There are many opportunities to get involved and we are looking for volunteers to head up or join the following committees with as close to 100% club participation as possible. Below is a list of committees that we would like to organize. More info to come:

- **Annual Car Show**
- **Cars & Coffee Committee** – This team will find a restaurant and schedule the date for this monthly event. This committee can also find and recommend different venues available and the team leader will present the restaurant, date and time at our monthly meetings.
- **Cruise Committee** – The team will seek our exciting venues for the Spring and Fall cruises and present their information to the club for a vote. Guideline of NO MORE than three and a half hours of travel to a destination. This team will have the talents of Jean Derreberry to assist with travel details.
- **Picnic/Party Committee** – This team will work with the leadership team to set up, purchase giveaways and assist with clean-up as necessary for our activities. Summer Picnic, Christmas Party, Corn Roast, Chili Cook-off etc.
- **Extracurricular Committee** – This team will be used for fun activities outside of the normal club events. Such as: meet for breakfast, lunch or dinner, go to the movies,

play cards, golf, bowling, or go for a drive. This could be once a month or as often as folks want to get together.

- **Club Photographer** – would love to add some great club activities to the website, FB and newsletter. We have some great photographers so let's get you organized and official.
- **Educational Committee** – This team would put together some educational information for everything you have always wanted to know but were afraid to ask: Example: How to prepare your "Stang" for a show. What the Judges look for. How to Judge a show. MCA National Car Show Information. Collector Car Insurance. Performance modifications. These are a few suggestions to get us started.

There will be signup sheets available for these committees at the club meetings.
