MAY 2021 GENERAL INFORMATION

Greetings NEOMC Friends,

I hope this May 2021 newsletter finds each of you and your families safe and healthy. Wishing all the moms out there a Happy Mother's Day! As I write this newsletter on Mother's Day it is snowing outside.

I hope that most of you have been able to schedule an appointment for the Covid 19 vaccine. With this being said and Governor Mike DeWine is working to lift crowd restrictions and open more venues, I hope we will be able to schedule a club meeting sometime in the near future. Most club members surveyed would prefer an outdoor meeting.

We completed the weekday cruise to Beaver Creek State Park last Thursday. The weather was kind to us and we had a good time. It was great to see everyone once again. Unfortunately, the Pioneer Village and Grist Mill were not open as there were not enough volunteers to man the posts.

I am keeping this in May's newsletter as I believe this is an important safety recall. April's Mustang Times on page 11 is a brief article on a Kidde Fire Extinguisher Recall. This recall involves two styles of extinguishers, plastic handles and push button indicator. Kidde is offering a free replacement and return instructions for

the recalled units. It explains to check the website: <http://kidde.com> or telephone 855.271.0773 from 08:30 to 17:00 hours Monday through Friday and 09:00 to 15:00 hours on Saturday and Sunday.

Peggy Moeller is now officially our club Treasurer.

Please stay safe and healthy, see you soon.
Jim
