NOVEMBER 2021 GENERAL MEETING

Greetings NEOMC Friends,

I hope this November newsletter finds each of you and your families safe and healthy. We are quickly approaching that time of year to put our “Stangs” away for the cold Winter months. November 3rd was our sixth club meeting of this year. The Venue will be our meeting place for the immediate future however, we are accepting recommendations for other restaurants. As a reminder, please wear your name tags to our club meetings and any scheduled club events. The car cruises are likely to be over for this year but if you have a suggestion for a club activity, please feel free to contact me or Danny Derreberry with your suggestions. We can investigate and coordinate these activities. We thank you all for your suggestions and valued support. Now onto business.

There will not be a December club meeting as our Christmas Party is scheduled this month. Please remember to RSVP, by November 20th, for the Christmas party scheduled for Saturday December 18th at The Venue. A \$15.00 per person fee is necessary to help with the costs of this party. You can mail a check to Peggy Moeller, Treasurer. Also the 2022 NEOMC membership dues need to be received by December 31st . Dues will remain at \$25.00.

Please make check payable to NEOMC and mail to: Peggy Moeller, 6712 Hillside Road, Independence, OH. 44131

Voting was held at the November meeting and it was passed that the current Club Officers will remain the same for 2022. Let’s make it the best year yet.

Please stay safe and healthy,
Jim

Club Logo: \$10.00 adding your name is an additional \$8.00. Items can be taken to either location.

Club Committees:

The opportunities for club activities abound and will be successful as long as we continue to have the help of our club members. There are many opportunities to get involved and we are looking for volunteers to head up or join the following committees with as close to 100% club participation as possible. Below is a list of committees that we would like to organize. More info to come:

- **Annual Car Show**
- **Cars & Coffee Committee** – This team will find a restaurant and schedule the date for this monthly event. This committee can also find and recommend different venues available and the team leader will present the restaurant, date and time at our monthly meetings.
- **Cruise Committee** – The team will seek our exciting venues for the Spring and Fall cruises and present their information to the club for a vote. Guideline of NO MORE than three and a half hours of travel to a destination. This team will have the talents of Jean Derreberry to assist with travel details.
- **Picnic/Party Committee** – This team will work with the leadership team to set up, purchase giveaways and assist with clean-up as necessary for our activities. Summer Picnic, Christmas Party, Corn Roast, Chili Cook-off etc.

- **Extracurricular Committee** – This team will be used for fun activities outside of the normal club events. Such as: meet for breakfast, lunch or dinner, go to the movies, play cards, golf, bowling, or go for a drive. This could be once a month or as often as folks want to get together.
- **Club Photographer** – would love to add some great club activities to the website, FB and newsletter. We have some great photographers so let's get you organized and official.
- **Educational Committee** – This team would put together some educational information for everything you have always wanted to know but were afraid to ask: Example: How to prepare your "Stang" for a show. What the Judges look for. How to Judge a show. MCA National Car Show Information. Collector Car Insurance. Performance modifications. These are a few suggestions to get us started.

There will be signup sheets available for these committees at the club meetings.
