## SEPTEMBER 2021 GENERAL MEETING

Greetings NEOMC Friends,

I hope this September newsletter finds each of you and your families safe and healthy. This year is zooming bye. September 1<sup>st</sup> was our fourth club meeting this year. The Venue is our meeting place for the immediate future but with the smaller number of club members attending our meetings we should be able to move to another restaurant that can handle smaller group sizes. Please advise if you have any recommendations.

As in the past few months several club members have suggested car cruise ins, shows, and other activities for the membership. Please feel free to contact me or Danny Derreberry with any of your suggestions. Together we can investigate and coordinate these activities. We thank you all for your suggestions and valued support.

We cruised to the Liberty Aviation Museum on Saturday August 28<sup>th</sup>. There were ten of us, seven Mustangs, in this group outing. What a great visit and good cruising weather. Our curator Todd Hackbarth, Museum Historian, provided a three hour plus guided tour of the museum. Todd was very informative on all aspects of the museum.

Kerrylynn Pawski has up-dated the club roster. Please review the roster and get back to Kerrylynn for any revisions.

We need your input on attendance for a "Pizza Party" and our annual "Christmas Party" scheduled at The Venue on December 18<sup>th</sup>. We need you input to plan for these events accordingly.

Also, if anyone is interested in running for club President or Vice President please advise.

Please stay safe and healthy,  
Jim

### **Treasurer's Report:**

The Club Treasurer, Peggy Moeller, reports "we're not broke!" Anyone wishing specifics can contact Peggy.

### **The 50/50 Drawing**

#### **WELCOME NEW MEMBERS:**

Lloyd & Debbie Wakefield	1989 Convertible
	2015 Convertible

### **Spring and Fall Cruise:**

The Fall cruise will be upon us before we know it. We are still open to any ideas but try to keep the driving time to around 3 ½ hours. If you have any ideas please let Jim know ASAP.

### **Housekeeping:**

**For Sale:** Don't forget to list your Mustang cars & parts in Wanted/For Sale section. Please email Connie at [cjleonard6@gmail.com](mailto:cjleonard6@gmail.com) to have your items added as well as to inform her when things need to be removed. Ponytail's is on the club's website so it's not only members that see your add.

**Nametags:** Clarification: with the club moving to only the new logo we will be replacing everyone's nametag one time. Those wanting to replace if lost or broken can do so for \$2.00. Anyone in need of a club nametag for meetings and events please email Connie at [cjleonard6@gmail.com](mailto:cjleonard6@gmail.com).

**Embroidered Clothing:** For those wanting to get jackets or shirts with the club logo. You may take a new or very gently used piece of clothing to Young's Screenprinting 4429 Kent Rd, Stow, OH 44224 or Young's Screenprinting & Embroidery 1245 Monroe Falls Ave, Cuyahoga Falls, OH 44221. Club Logo: \$10.00 adding your name is an additional \$8.00. Items can be taken to either location.

### **Club Committees:**

The opportunities for club activities abound and will be successful as long as we continue to have the help of our club members. There are many opportunities to get involved and we are looking for volunteers to head up or join the following committees with as close to 100% club participation as possible. Below is a list of committees that we would like to organize. More info to come:

- **Annual Car Show**

- **Cars & Coffee Committee** – This team will find a restaurant and schedule the date for this monthly event. This committee can also find and recommend different venues available and the team leader will present the restaurant, date and time at our monthly meetings.

- **Cruise Committee** – The team will seek our exciting venues for the Spring and Fall cruises and present their information to the club for a vote. Guideline of NO MORE than three and a half hours of travel to a destination. This team will have the talents of Jean Derreberry to assist with travel details.

- **Picnic/Party Committee** – This team will work with the leadership team to set up, purchase giveaways and assist with clean-up as necessary for our activities. Summer Picnic, Christmas Party, Corn Roast, Chili Cook-off etc.

- **Extracurricular Committee** – This team will be used for fun activities outside of the normal club events. Such as: meet for breakfast, lunch or dinner, go to the movies,

play cards, golf, bowling, or go for a drive. This could be once a month or as often as folks want to get together.

- **Club Photographer** – would love to add some great club activities to the website, FB and newsletter. We have some great photographers so let's get you organized and official.
- **Educational Committee** – This team would put together some educational information for everything you have always wanted to know but were afraid to ask: Example: How to prepare your "Stang" for a show. What the Judges look for. How to Judge a show. MCA National Car Show Information. Collector Car Insurance. Performance modifications. These are a few suggestions to get us started.

There will be signup sheets available for these committees at the club meetings.
