AUGUST 2020 GENERAL INFORMATION

Greetings NEOMC Friends,

I hope this August newsletter finds each of you and your families safe and healthy. This year seems to be passing by quickly and yet in another sense it feels as if time has stopped. Unfortunately, the corona virus still plagues our country, states, counties, and cities with a rise of covid 19 cases again in Ohio. This has put a stop to our monthly meetings and major club activities.

But don't despair, as Gene Szucs has done some homework for the Extracurricular Committee. Please refer to the Calendar of Events listing in this newsletter for these potential activities and scheduled dates. Please remember these events are subjective to your personal interests and acceptance to participate.

If you have any suggestions for a club cruise let Gene Szucs or me know. We did have some events scheduled in July but were cancelled due to the lack of club member interest and by host venues cancelling the events.

Hopefully soon we will be able to get back to some of our normal club events and activities. Group size will continue to affect how we can plan our club events.

On another subject, if anyone is interested in running for an elected position in the club please notify me. Our annual election will take place in November.

Please feel free to contact a member of the leadership team as necessary.

Best wishes and please stay safe and healthy,
Jim
