FEBRUARY 2021 GENERAL INFORMATION

Greetings NEOMC Friends,

I hope this February 2021 newsletter finds each of you and your families safe and healthy.

I know many of you as well as Laurel and I are trying to schedule a Covid 19 vaccine with hope to return to some form of a normal routine. However, as the human demand is high and with a limited vaccine supply, we have not been able to complete this task. Hopefully some of you may have been more successful and obtained your inoculations.

An upside for us is that two additional vaccines are in the pipeline for emergency authorization usage. Let's hope the FDA finds these vaccines safe and authorizes the release for distribution. This should improve the supply and demand factor.

I'm ready and waiting. It will be great when we can return to a normal routine and enjoy those things in life that bring joy to each of us.

On club business, many of you have been asking about 2021 membership dues and where to send them. The leadership team announced in the December newsletter that 2020 dues would be carried over to cover 2021.

Peggy Moeller has volunteered to take over the Treasurer position now held by outgoing Dawn Jones. We are working to transition this responsibility to Peggy and I hope to have this completed soon. We wish to thank Dawn for her valued service to the club and wish her the best. Please join me in welcoming Peggy to the NEOMC leadership team.

The leadership team wishes each of you and your families a Happy St. Valentine's Day! We hope 2021 allows us new opportunities!

Please stay safe and healthy, see you soon.
Jim

Calendar of Events:

February: No Events Scheduled

A reminder that these events are subjective to your own personal comfort level including the possibility of exposure to the Covid 19 virus. If you do attend any of these events please take the necessary precautions as suggested by the State of Ohio Health Department.

Steve Kitz our MCA Regional Tech Rep has informed that we have received the Mustang Club of America President's Award for the recognition of NEOMC activities achieved in 2019. I don't recall all the required criteria to meet the eligibility standards, but it was significant to achieve this prestigious MCA award. Congratulations and thanks to all members, as this is a club award.

I wish to thank Jerry Cafarelli for his research work, and Steve for his activities to apply for this distinguished MCA award. Thanks guys!
