## JULY 2020 GENERAL INFORMATION

Greetings NEOMC Friends

We start the second half of 2020 with our July NEOMC Newsletter. I hope this newsletter finds each of you and your families safe and healthy. This month we normally would not conduct our monthly meeting as we take this opportunity to enjoy our annual Summer Picnic at Countryside Campgrounds. As we are still limited by local and state mandates for group gatherings and social distancing the leadership team, including Tammy Brainard, Owner of Countryside, decided it would be of best interest to cancel this year's club picnic. Unfortunately, the covid 19 virus still exists with confirmed cases on the rise again in Ohio.

The leadership team has also decided that our annual car show scheduled for September 13th at Montrose Ford in Akron is cancelled. I have spoken to three medical professionals regarding our Annual Car Show. All three unfortunately stated that the risks of contracting covid 19 would be very high and did not outweigh the benefits of the car show. The most important points were age with significant concern on pre-existing conditions and enforcing social distancing.

It is fair to report that we do have some upcoming Extracurricular Committee and Spring Cruise Committee events scheduled in July. Please refer to the Calendar of Events listing in this newsletter. These events are subjective to your personal interests and acceptance to participate. I will say it was difficult to manage "social distancing" at last months cruise but over all, it worked out after we hopped in our cars and got underway. I strongly suggest the use of face masks to reduce the risk factor for contracting covid 19.

If you have any suggestions for a club cruise let Gene Szucs or me know.

Hopefully soon we will be able to get back to some of our normal club events and activities. Group size will continue to affect how we can plan our club events. We are fortunate as some of our cancelled activities can be rescheduled once things open up.

Please feel free to contact a member of the leadership team as necessary.

Best wishes and please stay safe and healthy,  
Jim
