## January 2021 GENERAL INFORMATION

Greetings and Happy New Year NEOMC Friends,

I hope this January 2021 newsletter finds each of you and your families safe and healthy. I hope many of you were able to spend some time with small family gatherings during the holidays.

Here we are at the beginning of a new year and happy 2020 is now behind us. However, the coronavirus is spreading and mutating to a more contagious form. An up side for us are the two vaccines the FDA has approved, now being disseminated around the country to be injected into the arms of those who desire it.

I'm ready and waiting. It will be great when we can return to a normal routine and enjoy those things in life that bring joy to each of us.

As many of you are aware David and Kerrylynn Pawski were hospitalized with Covid 19. Both David and Kerrylynn are home now in post Covid 19 recovery. The Derreberys have informed me that Frank Schneider has tested positive for Covid 19 and Kim will soon be tested. Please keep the Pawskis and Schneiders in your thoughts and prayers. Please advise if you know of other club members that may be ill.

On other club business, Peggy Moeller has volunteered to take over the Treasurer position now held by outgoing Dawn Jones. We wish to thank Dawn for her valued service to the club and wish her the best. Please join me in welcoming Peggy to the NEOMC leadership team. We have not yet transitioned this function over to Peggy as we are just waiting for a time to meet to complete this task.

The leadership team wishes each of you and your families a Happy New Year! We hope 2021 allows us new opportunities!

Please stay safe and healthy, see you soon.  
Jim

Steve Kitz our MCA Regional Tech Rep has informed that we have received the Mustang Club of America President's Award for the recognition of NEOMC activities achieved in 2019. I don't recall all the required criteria to meet the eligibility standards, but it was significant to achieve this prestigious MCA award. Congratulations and thanks to all members, as this is a club award.

I wish to thank Jerry Cafarelli for his research work, and Steve for his activities to apply for this distinguished MCA award. Thanks guys!
